

VERSADUSTER

The new Versaduster from B&G is a very reliable power duster at an economical price. Great for all dust applications from commercial kitchens to bedbug treatments.

- No batteries required
- Easily serviced
- Economically priced
- 40' recoiling hose
- Easy to fill
- Heavy duty XR Gun
- Works with all dust formulations
- Easily plugs into any power source
- Heavy duty design built for years of dependable service
- "No Clog" design applies a dust application with each pull of the trigger
- Can be purchased as a kit (without compressor) for use with a PAS or Versafoamer

Heavy duty fan cooled compressor unit for long service life. Electrical connection is made by use of a standard extension cord.

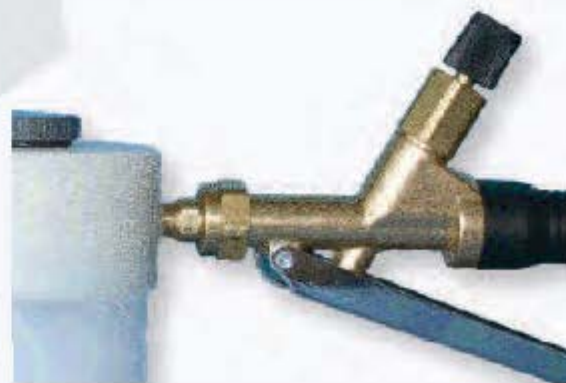

Dust output is adjustable from a very fine to a heavy application.

Adjustment knob to control dust output.
